|--|--|--|--|---|

Other Species

Please provide some details for any species not listed above. Also please note that shore-birds can be difficult! Reports of Baird's or Western Sandpipers or Long-billed Dowitcher require detailed descriptions for inclusion in the final event results. (All are very rare in our region in spring and very similar to more common species....)

[X] Chuck-wills-widow

[X] Eurasian Collared-Dove
